Work Experience

Film/Video Editor, VFX Artist, Videographer, Graphic Designer, Social Media Manager Woodhaven Media - Cranston, RI

Sep 2013 - Present

Woodhaven Media is a media production house specializing in film post production. Though I've only officially started working at Woodhaven over a year ago, I've been involved in projects freelance since 2013. I have had the opportunity to work on over 8 movies, 4 documentaries, as well as multiple commercials and music videos in many different capacities. Some of these projects including 'Vault' film, 'Man In Red Bandana' documentary, 'Almost Mercy' film, recent 2017 New England Tech Super Bowl Commercial, 'Wocket' commercial with Joey Fatone (Nsync), An Intro video for 'Godsmack' and the official film documentary for 'Bleed For This' starring Miles Teller.

Post Production Supervisor, Film/Video Editor, VFX Artist, Graphic Designer Polyphasic Media - Coventry, RI

March 2016 - Present

Polyphasic Media is a production company specializing in Post production for feature films, commercials, music videos and more. In my time here I've had the opportunity to directly oversee a team of 5, handling all aspects of post production even including full 3D Visual Effects for a dinosaur in one film. Beyond editing and post production we've also provided websites, apps, social media management/videos, wedding videography and much more.

Assistant Editor, Visual Effects Artist

'Vault' Film - Providence, RI

September 2018 - October 2018

As Assistant Editor my responsibilities included everything from logging and capturing footage to helping with visual effects including rotoscoping full scenes and working directly under the editor with sequencing the film.

DIT (Digital Imaging Technician)

Sundance TV Doc. ('Jonestown' [Working Title]) - Hartford, CT
